Manawatu Branch News

The Manawatu branch of Clan Cameron held their annual picnic at the Ashhurst Domain on the 25th February. On a beautiful afternoon a good attendance enjoyed a pleasant lunch together.

Several members of the Manawatu branch joined the Wanganui Caledonian Society on a boat trip up the Whanganui River on the 10th March. It was a beautiful evening, the river was like glass, and we all enjoyed the entertainment on board provided by the Peter Elmes Band and the good stories by John Hanna. It was pleasing to have our Clan President, Denis, in attendance on a great evening. We plan to hold a Pot Luck Dinner on May 19th at the home

of Harry and Mary Lampen-Smith to farewell our First Lighter Kimberley Walker, who leaves for Scotland on June 2nd.

We hope for a good attendance of our members, and intend to invite representatives of other Clans to hear Kimberley speak of her plans and of course to publicise our First Light programme.

The branch is attracting several new members, and they include some younger people, which is great for the future of Clan Cameron.
